RESPONSE TO OFFICE ACTION

Sir:

This paper is herewith filed in response to the Examiner's Office Action mailed on August 22, 2005, for the above-captioned U.S. Patent Application. As such, we petition for an extension of time and believe a fee of \$ 120 is due, as this response is herewith filed within one month after the expiration of the shortened statutory period. However, should the undersigned attorney be mistaken, please consider this a petition for any extension of time that may be required to maintain the pendency of this Patent Application, and charge deposit account no.: 50-1924 for any required fee deficiency. It is believed that there is a net gain of three claims and that the fee for the net increase in claims is \$ 150. Thus, the total fees are \$ 270. If there is any fee deficiency, please charge deposit account no.: 50-1924.

Please amend the application as shown below.
